NEMA Design “B” Premium Efficiency AC Motor

Three Phase Induction Motor (Asynchronous)

208V to 230V / 460V, 3ph, 60 Hz, inverter duty operating range 30Hz to 60Hz

Power ratings are continuous full load amps in ambient temperatures from -15°C to 40°C

- Service Factor 1.15
- Duty Rating Continuous
- Constant Torque 10:1
- Variable Torque Zero to Base Speed
- TEFC enclosure (IP55)
- Class F insulation
- Foot Mount
- CSA & CSAUS Energy Verified

 Note: 575V motors are available special order, call for price and delivery
